## B. SUMMARY OF THE INTERVIEW

In addition to the interview summary filed in the response dated December 8, 2004, the substance of the interview included a discussion of claims 6 and 7. In particular, the Examiner clarified the rejection of claims 6 and 7 and suggested that Applicants amend the limitations of claims 6 and 7 to recite "adjusting the transparency of an image overlay" instead of the currently recited "adjusting a transparent overlay image", in order to clarify the intended meanings of the limitations.

Respectfully submitted,
